DECISION AWARDING DAMAGES¹

On November 14, 2016, Darrell Mayo filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,² (the “Vaccine Act”). Petitioner alleges that he suffered from Guillain-Barre Syndrome (“GBS”) following the administration of an influenza (“flu”) vaccine on October 1, 2014. Petition at 1. The case was assigned to the Special Processing Unit of the Office of Special Masters.

On October 30, 2018, a ruling on entitlement was issued, finding Petitioner entitled to compensation for GBS. On November 21, 2019, Respondent filed a proffer on award of compensation (“Proffer”) indicating Petitioner should be awarded a lump sum payment of \$760,123.27, representing compensation for life care expenses expected to be incurred during the first year after judgement (\$18,849.19), lost earnings

If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

(\$559,252.00), pain and suffering (\$175,000.00), and unreimbursable expenses (\$7,022.08). Proffer at 2-3. The Proffer also indicates that Petitioner should be awarded an amount sufficient to purchase an annuity contract as set forth in Section II.B. Proffer at 3. In the Proffer, Respondent represented that Petitioner agrees with the proffered award. *Id.* Based on the record as a whole, I find that Petitioner is entitled to an award as stated in the Proffer.

Pursuant to the terms stated in the attached Proffer, **the undersigned awards petitioner:**

- **A lump sum of \$760,123.27 representing compensation for life care expenses expected to be incurred during the first year after judgement (\$18,849.19), lost earnings (\$559,252.00), pain and suffering (\$175,000.00), and past unreimbursable expenses (\$7,022.08) in the form of a check payable to petitioner, Darrell G. Mayo; and**
- **An amount sufficient to purchase the annuity contract described in the Proffer at Section II.B.**

This amount represents compensation for all damages that would be available under § 300aa-15(a).

The clerk of the court is directed to enter judgment in accordance with this decision.³

IT IS SO ORDERED.

items of compensation set forth in the life care plan and illustrated by the chart attached at Tab

A. Petitioner agrees.

B. Lost Earnings

The parties agree that based upon the evidence of record, Darrell G. Mayo has suffered past loss of earnings and will suffer a loss of earnings in the future. Therefore, respondent proffers that Darrell G. Mayo should be awarded lost earnings as provided under the Vaccine Act, 42 U.S.C. § 300aa-15(a)(3)(A). Respondent proffers that the appropriate award for Darrell G. Mayo's lost earnings is \$559,252.00. Petitioner agrees.

C. Pain and Suffering

Respondent proffers that Darrell G. Mayo should be awarded \$175,000.00 in actual and projected pain and suffering. This amount reflects that any award for projected pain and suffering has been reduced to net present value. See 42 U.S.C. § 300aa-15(a)(4). Petitioner agrees.

D. Past Unreimbursable Expenses

Evidence supplied by petitioner documents his expenditure of past unreimbursable expenses related to his vaccine-related injury. Respondent proffers that petitioner should be awarded past unreimbursable expenses in the amount of \$7,022.08. Petitioner agrees.

II. Form of the Award

The parties recommend that the compensation provided to petitioner should be made through a combination of a lump sum payment and future annuity payments as described below,

and request that the Chief Special Master's decision and the Court's judgment award the following:²

A. A lump sum payment of \$760,123.27, representing compensation for life care expenses expected to be incurred during the first year after judgment (\$18,849.19), lost earnings (\$559,252.00), pain and suffering (\$175,000.00), and past unreimbursable expenses (\$7,022.08), in the form of a check payable to petitioner, Darrell G. Mayo.

B. An amount sufficient to purchase an annuity contract,³ subject to the conditions described below, that will provide payments for the life care items contained in the life care plan, as illustrated by the chart at Tab A, attached hereto, paid to the life insurance company⁴ from which the annuity will be purchased.⁵ Compensation for Year Two (beginning on the first

² Should petitioner die prior to entry of judgment, the parties reserve the right to move the Court for appropriate relief. In particular, respondent would oppose any award for future medical expenses, future lost earnings, and future pain and suffering.

³ In respondent's discretion, respondent may purchase one or more annuity contracts from one or more life insurance companies.

⁴ The Life Insurance Company must have a minimum of \$250,000,000 capital and surplus, exclusive of any mandatory security valuation reserve. The Life Insurance Company must have one of the following ratings from two of the following rating organizations:

- a. A.M. Best Company: A++, A+, A+g, A+p, A+r, or A+s;
- b. Moody's Investor Service Claims Paying Rating: Aa3, Aa2, Aa1, or Aaa;
- c. Standard and Poor's Corporation Insurer Claims-Paying Ability Rating: AA-, AA, AA+, or AAA;
- d. Fitch Credit Rating Company, Insurance Company Claims Paying Ability Rating: AA-, AA, AA+, or AAA.

⁵ Petitioner authorizes the disclosure of certain documents filed by the petitioner in this case consistent with the Privacy Act and the routine uses described in the National Vaccine Injury Compensation Program System of Records, No. 09-15-0056.

anniversary of the date of judgment) and all subsequent years shall be provided through respondent's purchase of an annuity, which annuity shall make payments directly to petitioner, Darrell G. Mayo, only so long as Darrell G. Mayo is alive at the time a particular payment is due. At the Secretary's sole discretion, the periodic payments may be provided to petitioner in monthly, quarterly, annual or other installments. The "annual amounts" set forth in the chart at Tab A describe only the total yearly sum to be paid to petitioner and do not require that the payment be made in one annual installment.

1. Growth Rate

Respondent proffers that a three percent (3%) growth rate should be applied to all non-medical life care items, and a five percent (5%) growth rate should be applied to all medical life care items. Thus, the benefits illustrated in the chart at Tab A that are to be paid through annuity payments should grow as follows: three percent (3%) compounded annually from the date of judgment for non-medical items, and five percent (5%) compounded annually from the date of judgment for medical items. Petitioner agrees.

2. Life-contingent annuity

Petitioner will continue to receive the annuity payments from the Life Insurance Company only so long as he, Darrell G. Mayo, is alive at the time that a particular payment is due. Written notice shall be provided to the Secretary of Health and Human Services and the Life Insurance Company within twenty (20) days of Darrell G. Mayo's death.

3. Guardianship

Petitioner is a competent adult. Evidence of guardianship is not required in this case.

III. Summary of Recommended Payments Following Judgment

- A. Lump Sum paid to petitioner, Darrell G. Mayo: **\$760,123.27**
- B. An amount sufficient to purchase the annuity contract described above in section II.B.
